It is rumored here that a teacher formerly of Stockton is to get the principalship of our grammar school for next season. He was here Monday conversing with the school trustees.

All the race horse fans here are looking forward with pleasure to the big race meet to take place at Sonoma on Friday, July 4th. and from present indications everybody will go from here to see the sport.

All of H. H. Granice's live reporters will be at the ball game at Boyes' Spring's Sunday to report the event for the Index-Tribune. This includes "Easy Jim," Vineburg's popular reporter.

A number of Sonoma Valley guests who are here from San Francisco tell the writer that a great number in the metropolis think the Sonoma Valley is dry and refuse to come here.

All here are looking for the decision of the Supreme Court in regard to the roadhouses. Things won't be right in Sonoma Valley until all these thirst emporiums are open again. Business will then be good.

It is rumored here that principal A. H. Kemp of our grammar school has resigned. Mr. Kemp is a scholarly gentleman and all are sorry of his leave-taking. If the incoming teacher proves to be as good as Mr. Kemp all will be satisfied.

On all sides the question is being asked who are you going to vote for if the recall should come to an election. Harry Weise of course is the answer, and what a majority Sonoma Valley's native son will have when those votes are counted.

Everything is in readiness for the base ball game at Boyes Springs diamond Sunday. A great many tickets have been sold and a record breaking crowd is expected to attend The participants in this game are Sonoma and Glen Ellen and as great rivalry exists between these two teams a lively contest can be looked forward to.

Refuse to sign the recall petition that is being circulated by boycotter Bigelow. Save the expense of an election as it will only be a landside for our present Supervisor. Remember that Mr. Weise has made good. and one indication is the roads. So don't be misled by a rattle-brained agitator.

Miss Nellie O'Brien, accompanied by N. Chester of the metropolis, was here the latter part of last week. Mr. Chester is the new manager of the O'Brien sister's estate in the western foothills and is delighted with Sonoma Valley. He will return to stay, being greatly interested in the progress of the valley and expects to become a member of the El Verano Development Association. He predicts a great future for these parts and is a progressive gentleman.

John Serres transacted business in Santa Rosa last Saturday, thence to the metropolis where he spent Sunday with his folks at the Hotel Depew.

A great number are beginning to wonder and ask who Archie McKiver is. The answer is that it is a number made up of a syndicate that corrals all the live news from all over the valley.

The following real estate transaction was recorded the latter part of last week: A. M. Thompson to Mollie R. Taylor, 6-3-13 "Ohm's Ranch," 117 acres adjoining Boyes Springs.

Easy Jim, Vineburg's bright reporter, was in town Saturday. Veronica Verano says that Easy was enjoying some doughnuts as he drove along and that he failed to notice her. She is really put out about it and says she'll get even.

The four-round boxing bout between our white hope and skyscraper Jess Willard has been postponed to June 20, Willard asking for more time. Miller is hard at the grind and promises to give a good account of himself when he faces big Jess.

Word has reached us from good authority that J. M. Allison, who ran against Blair Hart for the Supervisor nomination on the Democratic ticket and was defeated, will be J. K. Bigelow's recall candidate against Supervisor Harry Weise. McKiver will give Mr. Allison's political record to the readers of the Sonoma Index-Tribune when the battle starts.

Guy J. K. Bigelow had the big joke of the century, the recall petition, circulating it in chicken town one day last week. Poor luck greeted the trouble-maker and a number of his former staunch supporters refused to sign the recall. Slowly and sadly, Guy is losing his footing and if it does come to an election Weise will go in at a 3 to 1 shot.

Quite an incident occurred last Sunday morning. As the S. P. train pulled in here a number of summer guests coming to spend the day got off the train at El Verano and went over to the Depot Saloon. Seeing it was closed someone yelled "a dry town." At this they all got back to the depot and took the train for Santa Rosa. This is the only town along the line that the saloon nearest the depot is closed, and still our prohibition friends tell you a dry town pays. These people will never return, thinking the whole valley has gone dry. A saloon near a depot is a needed thing for the accomodation of the traveling public and seeing this closed all travelers out of here come to the conclusion that El Verano, a leading summer resort, is a dry town and they don't fail to tell their friends about it either.

Mrs. A. W. Weaver is visiting in Martinez.

Mrs. F. Kearney of San Francisco visited here Sunday.

Lloyd Riser of Oakland was here Sunday the guest of friends.

Fritz Holland, well-known boxing instructor of the Holland Club, San Francisco, was registered at the Bellevue Hotel the latter part of the week.

There was a large crowd of summer visitors here Sunday. The beautiful summer faries are making their appearance and at this writing all the country boys are happy. We hope to lose some of them this season.

The dances at the El Verano Villa each evening are very popular. Last Saturday evening a large crowd assembled at this popular resort and spent a merry evening. Professor Peebles' Orchestra of San Francisco has been engaged for the season to furnish the dance music.

ARCHIBALD McKIVER.
El Verano, June 10, 1913.

An Enjoyable Affair.

The Senior reception held at the High School on Saturday evening last was a most enjoyable affair. The large assembly hall where the dancing was held had been beautifully decorated for the occasion by a number of the pupils of the school whose ideas were most unique. About fifty couples were present and enjoyed dancing until a late hour, the Bateman-Knolle orchestra furnishing the music. Delicious punch was served throughout the evening. This event was one that will long be remembered by the younger set of both town and valley.

Closing Exercises at the Public School

A large number of the patrons of the public school, and other visitors, had the pleasure of listening to the unusually interesting program by the pupils on last Friday afternoon, it being the closing day of school.

The primary classes began their exercises promptly at 1:15, and after enjoying the fine program by the little ones the visitors were invited into the grammar grade rooms to witness their closing and also graduation exercises. Among the many interesting numbers presented by the pupils were instrumental selections by Norma Jansen and Esta Caukins, a recitation entitled a "School Girl's Tribulations" by Gladys Shields, a vocal solo by Zolita Bates and several original compositions by the graduating class. "The Class Will," read by Edward Pohley, with its witty and mirth - provoking bequests was greatly enjoyed. A poem written and recited by Dorthy Breitenbach showed remarkable ability on the part of the poetress.

A large class of pupils successfully completed the grammar grade course.

The grammar school this last year reached its highwater mark for attendance, the reports showing an average daily attendance of 130 pupils.

Re-Elect All the Old Teachers of the High School.

At a meeting of the Trustees of the Sonoma Valley Union High School, held on Friday of last week, all the old teachers were unanimously chosen for another year as follows: Principal, Bruce H. Painter; teacher of English, Miss Ellen Trueblood; teacher of History and German, Miss Margaret More; teacher of the commercial department, R. H. Piatt. The re-election of these teachers by the Trustees was received with pleasure by the friends and patrons of the school.

Let Us Have Peace

While a few mischief makers are endeavoring to create turmoil and discord among the good people of this valley in agitating the recall of Supervisor Weise, we are reminded there are many things beneficial to both town and valley that are being boosted by those who really have the interest of Sonoma Valley at heart.

First—There is the proposition of the El Verano Development Association for a cut-off road to the State highway near Novato, via Black Point, which will save the residents of Napa county and Sonoma Valley some fifteen miles travel to and from Marin county towns and San Francisco. This is a project fraught with much importance to the business interests of Sonoma Valley in particular and Napa county in general. The association already has engineers in the field making a preliminary survey of the proposed route, which will necessitate the bridging of Petaluma creek above Black Point. Now, how much better for our citizens to interest themselves in a project of this kind than to engage in the bitter strife of a senseless and expensive recall election which accomplishes nothing except to gratify a petty spite against a Supervisor who has done his duty and nothing else but his duty as a public official.

Second—There are a number of civic public functions now on that are engaging the attention of another busy class of our citizenship. Among these we might mention the three-day Fiesta of the Woman's Club on July 3rd, 4th, and 5th, the race meet of the Sonoma Driving Club on July 4th, which will be the greatest ever. Then there is the grand ball to be given by the Native Sons Parlor of this city in Union Hall on the evening of Saturday, June 14th, and last but not least the great ball game on the Boyes diamond next Sunday given for the benefit of the projected 15-mile cut off road to the State highway.

It were meet and proper for our people to concentrate their energies on the above things and boost each and every one of them. If they do this instead of listening to a few fool agitators in this valley we will be a peaceful, happy and contented people and will be able to do things. Go to it.

The National Game

If one is not a baseball fan these days he or she isn't in it. This not only applies to every city, town and hamlet in the United States but to Sonoma Valley as well. Here we have the Glen Ellen baseball team, managed by J. F. Trusty, who has a most excellent team. Then comes Joe Solari, manager of the Boyes nine, who is a great sport when it comes to baseball, and don't you forget it. Here in Sonoma we have a nine under the able management of Chas. McDevitt, who so far this season are undefeated. Each of these teams play ball in their respective towns every Sunday afternoon and they are putting up some ball game too.

These local ball teams are in friendly accord with one another. No better evidence of this is wanted than the game to be played tomorrow (Sunday) on the Boyes Springs diamond between the Sonoma and Glen Ellen teams for the benefit of the Black Point cut-off highway being projected by the El Verano Development Association, and everybody will be there.

An Enterprize That Ought to be Fostered and Encouraged.

These hot days the people of Sonoma city and valley ought to appreciate the Sonoma Bewing and Ice Co. and its half-a-cent ice, but we regret to say that some of our business people, with a woeful lack of judgment, do not do so. These, for an imaginary saving of a few cents on a ton of ice, would patronize an outside product and directly aim to freeze out the local plant and raise the price from half a cent to two cents a pound. This, too, in view of the fact that for purity, clearness and lasting qualities the local product cannot be beat.

The local ice plant represents an investment of $75,000, all of which is local capital. It has a payroll of over $500 per month and gives employment to the heads of half-a-dozen families. It pays a liberal tax into the city treasury each year and contributes its share toward all local enterprizes or objects of charity and IS KEEPING DOWN THE COST OF ICE HERE. But nothwithstanding all these things there are some business men in both town and valley who are so blind to the efforts of this local enterprize to add to the prosperity and wealth of its people who would patronize outside concerns and send their money away from home and thus discourage a local enterprize.

Now, this is all wrong, but we are quite sure these will see the error of their ways now that they have been pointed out to them and patronize the only large manufacturing plant in this city and thereby encourage other enterprizes to locate here.

Our prohibition contemporary down the street announces that a convention is called to meet in Woodman Hall in this city next Thursday night to nominate a recall candidate against Supervisor Weise and draw up a platform. We take it the so-called convention will be a fizzle as every self- respecting man and woman in the Sonoma Valley will give this mischief-making movement a wide berth.

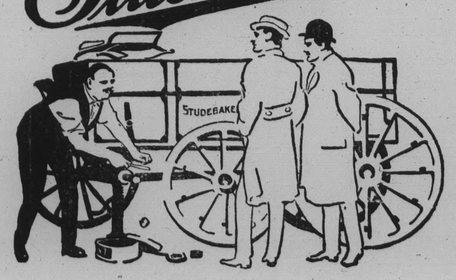
Studebaker



"Studebaker wagons certainly last a long time"

"I have had this wagon twenty-two years, and during that time it cost me only $6.00 for repairs, and that was for setting two tires."

"And after twenty-two years of daily use in good and bad weather and over all kinds of roads, I will put this wagon against any *new* wagon of another make that you can buy today."

"Studebaker wagons are built of air-dried lumber and tested iron and steel. Even the paint and varnish are subjected to a laboratory test to insure wearing qualities."

"No wagon made is subjected to as many tests or is more carefully made than a Studebaker. You can buy them of Studebaker dealers everywhere."

"Don't listen to the dealer who wants to sell you a cheap wagon, represented to be 'just as good' as a Studebaker."

Farm wagons, trucks, dump wagons and carts, delivery wagons, buggies, surreys, depot wagons—and harness of all kinds of the same high standard as the Studebaker vehicles.

Mrs. Fred Batto, who has been seriously ill for the past week, we are glad to state, is convalescent. Good news for the lady's many friends.

Miss Lulu Dependener, Glen Ellen's popular school teacher, will be the guest of her mother during her vacation at the latter's home in Vineburg.

M. Beyers, the genial and good natured traveling salesman for the Frank Peterson Co., transacted business at Batto's spur on Friday of last week.

Mrs. John Roberts, Howard Roberts, Miss Hazel Roberts and Charles Hyde Lewis are visiting the Hyde home and expect to remain a week.

Mr. and Mrs. John Batto took the train to the Bay City on Wednesday morning and will be the guests of Mr. and Mrs. A. Figone. They expect to be absent a week.

John John, the furniture man of Sonoma, thinks we want to start a tomale factory, so when he sees a good fat rooster on the road he throws the machine wide open and that means good by rooster.

You cannot down American enterprise. A young man here is going to start a general hauling and teaming business. He will have his shingle out in a few days. He has good teams and has also accomodating neighbors who have good teams also. He is bound to win out.

Mr. and Mrs. Arthur Batto christened their baby boy on Sunday last and named the young Native Son Francis Arthur. After the christening a number of guests, including Mr. and Mrs. Charles Gander and family of San Francisco, entered the Batto and Groskopf cars and motored to all the points of interest in the valley.

The game of baseball played in Sonoma on Sunday from the point of clever playing can be considered the star game of the season and manager Chas. McDevitt may feel proud of its team. The sensation was the grand home run made by "Our Willie," as the fair sex want him called or in other words, Bill Block of Vineburg. Bill is just as much at home on a ball field as he is in a ball room. He made the first home run this season.

GREAT RACE MEET ON JULY FOURTH

The Sonoma Driving Club Will Strive to Make it the Biggest Ever—Some of the Horses that Will Contend for the Purses

BY HARRY BELL

The races to be given under the auspices of the Sonoma Driving Club on July 4th promises to be by far the best ever held in Sonoma. There will be horses here from Santa Rosa, Petaluma, Cotati and a large delegation from San Francisco.

The local drivers are very busy these days and the track presents a lively appearance every morning.

Joe Ryan, the local trainer and driver, has that good horse T. D. W. going nicely. He also has in his string Emmet Mullen's Thomas Mc., Tom Millerick's Miss Millerick and Spreckel's Miss Rooney. Ryan's assistant trainer, Jimmie Sterling, has Mike M. in his charge and is going great. Mike C., the well-known local horse is quartered at the track along with Madeline, a three-year-old pacer. Mike Lornegan has his widely known and speedy Myrtle and Lena D. in charge and are burning the track every morning.

The Sonoma Driving Club has always striven to give the people in this vicinity their money's worth and have always succseeded, so it behooves the residents here to lend every effort to make the meeting a success.

BOYES HOT SPRINGS HAPPENINGS.

By Art Hickman.

Coroner Fred. Sawyer and party visited the Springs Sunday, touring from San Rafael.

Angela Byrne and the Hart brothers, court stenographers of the metropolis, were week-end visitors here.

Frank Burris of Santa Rosa is a frequent visitor at the Boyes Springs dances. Mr. Burris drives a National racing car.

Joe Keechler headed an enjoyable auto party Sunday which Mr. Barringer of the city was a member of. Keechler's green-eyed Hudson is very familiar to the valleyites.

Archie Hettrich and family toured the valley in their new Rambler touring car. This party hails from San Rafael. Probation officer Tom O'Conner also of San Rafael was seen in his Studebaker, his family accompanying him. Franz Frey was another representative from Marin county.

One of the largest aggregations of brilliant journalists ever seen in this vicinity was brought about Sunday at the Stevens home in Woodleaf Park. Astor Stevens needs no introduction to the public as he is known throughout the land as the most critical theatrical critic and has long been identified with the large Hearst papers. Mr. Stevens was honored by no less personage than Mr. and Mrs. Rollo Peters, and the following notables from the Hearst papers: Edward H. Hamilton, (Alphonso de la Guerra Murphy,) and H. R. B. Coblentz, city editor of the S. F. Examiner. A pretty dinner party was given in the open and the day was spent in a general reunion.

A large attendance turned out Sunday at the ball grounds to see the Boyes home team defeated by the Vaughn and Frasers. The latter team is about the best bush ball club in the state and they showed their ability Sunday in finishing a winner when everything looked very dark for them up till the 5th inning when the rally was made. The locals held them down to 3 to 0 up to that period and with two strikes and 3 balls on the batter, Ossie Ball the Boyes young pitcher, grooved a perfect, straight ball over the plate and the heaviest hitter on the opposing team sent it out into the field to score the three men on bases, then the rally was even and they scored two more runs that same inning which disheartened the home team and they gave way to some careless playing from then on and the result was 9 to 4 in favor of the visiting team. The Vaughn and Frasers must have held the Boyes team in high esteem for they came well padded and very much strengthened to defeat the sturdy home team. They secured Lewis, Stockton's star pitcher, to officiate in the box, but he alone would have done little had he not received excellent support from his colleagues for the stick connected with his "spit ball" many times by the "Boyes sluggers." All in all the game was just fair and not up to the standard that prevails every Sunday.

Loses Another Relative by Death

Otto Gericke, the well-known farmer of this valley, on Friday evening of last week, received news of the death of his sister Miss Mary Gericke, at her home in Tomales, Marin County. This is a double affliction on Mr. Gericke, as his father passed away only a couple of weeks ago.

Adjourned Meeting of the City Trustees

The City Trustees met in adjourned session on Friday evening of last week to take up the matter of the water question and better fire protection.

The members were all present, with Mayor M. E. Cummings presiding.

The Board authorized Mayor Cummings to enter into a contract with the Vallejo Water System at $100 per month for a term of five years. The vote on this montion was as follows: Yes—Wagnon, Johnson, Dal Poggetto and Mayor Cummings. No—Breitenbach.

The Board then instructed City Marshal Albertson to bring all parties who had failed to connect their premises with the sewer system before Recorder Campbell.

B. Weatherhead, representing the Lewis water system, notified the Trustees that all fire hydrants must be disconnected from his water system within 30 days.

Last Tuesday morning the Lewis water system shut off its free water from the Plaza.

Christening Sunday

The little daughter of Mr. and Mrs. Chas. Stornetti was christened last Sunday by Rev. Father Comerford at their residence near town. The little one was named Vivian Albina. About fifty friends of the family were present and a big barbecue was held.

Mr. Crevilli acted as godfather while Clementina Forni was the godmother.

Baseball—Sonoma Boys Defeat the Cotati Team

The Sonoma base ball boys added another victory to their list last Sunday afternoon when they defeated the Cotati nine on the Sonoma diamond by a score of 9 to 5. A big bunch of rooters accompanied the visiting team to Sonoma and the enthusiasm ran high. The home guard started off with a two-run lead in the first inning and batted in six more n ithe fifth. Bill Block made the ninth run in the eighth inning when he slammed out a home run to left field, thereby winning a new hat. It was some swat and we hope Bill will repeat it tomorrow. Cotati scored their first four runs on two bad throws by Sonoma, but their fifth run was earned. Seven of the runs made by the local boys were scored by clean base hits.

The features of the contest were the pitching of Boccoli, Sonoma's pitcher, who struck out 14 men, Block's home run and a running catch by Cotati's centre field.

W. J. Cummings Falls and Breaks Leg.

Will J. Cummings, Traveling Freight Agent of the Northwestern Pacific Railroad, with headquarters in Santa Rosa and a brother of Mayor M. E. Cummings of this city, fell and broke his right leg near the ankle while walking along one of the streets in Santa Rosa last Saturday. The injury will lay him up for several weeks.

Wanton Waste of Water.

A number of patrons of the Sonoma City Water Works Co. make it a habit of allowing their hoses to run hour after hour throughout the day and frequently all night long. This conflicts with the rules of the company and the water ordinance of the city, which has fixed a penalty of $2.50 per night for the wanton waste of water. From now on this ordinance will be enforced strictly to the letter, by the water company. A hint to the wise is sufficient.

Jolly Vallejoites Visit the Valley Sunday

The Wieland Club, embracing many of the City and County officials and leading business men of Vallejo, to the number of about twenty drove through the valley last Sunday in a big auto bus. They were a jolly crowd and were led by Frank Brosnahan and M. C. McInnes, who donated $100 cash toward paying the expenses of the trip. The club was accompanied by a brass band and every member was made up as a flaxen-haired Dutchman. Each wore a funny low crown dicer set off with wigs and false whiskers. It was the jolliest crowd of merry-makers that ever invaded our valley.

Congregational Church.

Wanted—500 men to go to any church and publicly worship God whose gifts they have been publicly using all this week. In history the progress of men and nations can be measured by their observance of the Sabbath. Neglecting God is a losing business.

Morning worship at 11 a. m. We will speak about a face beautifier and illustrate it by historical fact. Nobody need carry about an ugly face. Evening worship 8 p. m. The manly man will be the subject for treatment. We are all good fellows but it is not impossible to improve.

The pastor and family were being entertained at supper. The minister was eating leisurely and sparingly. The lady of the house urged him to eat a good deal more. He apologized by saying that he had to preach. The youngest daughter popped up and said, "We're going to eat 'cause we have to listen."

Governor Signs Bill Creating Viticultural Commission.

The bill introduced into the upper house of the Legislature by Senator Juilliard of this county, creating a Viticultural Commission having passed both houses, was signed by Governor Johnson one day this week and is now a law.

The bill provides, among other things, for the districting of the state and the naming of commissioners and a secretary. The plan is to disseminate valuable knowledge concerning the fostering of the industry, useful information concerning the diseases of the vine and other matters that are connected with the immense industry of the Golden State.
